

Legal assistance for starting a family

One of the many benefits of your Legal Plan

Your family is growing. Your career is starting to take off. You're beginning to put down roots and are maybe even ready to upsize your home.

It's exciting, to say the least. But it can also be a bit daunting if you don't have good legal advice. You want to protect what you've built and ensure your family's security. And when you go to sign that next mortgage or create your first will, you want to make sure everything is done in your best interest. With MetLife Legal Plans, you receive cost-effective access to legal help to protect your family and your future.

Consider this real member story:³

"After years of procrastinating, my husband and I established a will, which gave us comfort for the future of our 4-year-old. I also had my attorney review documents for my father, which saved my family a lot of trouble when he passed away unexpectedly."

Even if you only use the Legal Plan once in a year, the plan will likely pay for itself. MetLife Legal Plans also provides coverage for many other personal legal matters — such as buying or selling a home, document review, civil litigation defense and telephone or office consultations.
